

vkcv::camera::CameraController

```
classDiagram
    class CameraController["vkcv::camera::CameraController"]
    class PilotCameraController["vkcv::camera::PilotCameraController"]
    PilotCameraController --|> CameraController
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text 'vkcv::camera::CameraController'. Below it is a gray rectangular box with a black border containing the text 'vkcv::camera::PilotCameraController'. A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that 'PilotCameraController' inherits from 'CameraController'.
